## TREES NEED WATER, TOO

Although it's been a cool, wet summer, fall is starting out hot and dry. If you received a new street tree last year, please remember to give it a drink through dry spells, even in the winter. Late fall tree planting is currently being planned. The AH Tree Board volunteers will be coordinating locations with homeowners that would help care for a tree in their right-of-way. If you have a particular spot in mind, please email us at [info@armourhills.org](mailto:info@armourhills.org).
